27th World Congress  
of Architects

**Project Name:** Ultimate nature, Shantou Preschool College Design

**Authors:** Liu Jinrui, Guo Lan, Feng Qiong, John Shen

**Country:** China

This is a local preschool teacher college with more than 98% of students being local girls. The design of the campus is committed to providing a natural, free and equal space to inspire these girls who will become preschool teachers and mothers to achieve self-pursuits and spread this concept to local children through education.

All the worlds. Just one world
